Re: Appointments to the California Men's Colony Citizens Advisory Committee

Dear Warden Valenzuela:

Chairman George Galvan of the California Men's Colony Citizens Advisory Committee contacted our office to nominate replacements for Ed Cabrera and Christine Mulholland, whose terms expired in January 2013.

Per Chairman Galvan's advice, I nominate John O'Connell and William Perry to serve on behalf of the San Luis Obispo County Board of Supervisors as appointees on the California Men's Colony Citizens Advisory Committee. Their biographies were submitted to the Advisory Committee.

Thank you for your assistance.

Sincerely,

PAUL TEIXEIRA, Chairperson
San Luis Obispo County Board of Supervisors
